A well-structured book review contains a heading, an introduction, a summary of the main points or chapters, a critical analysis, an evaluation and a conclusion. A critical book review is a thoughtful discussion of a text's contents, strengths, and limitations. Compose your review as you would any essay, with a clear, logical structure.

Guidelines:

Heading

Book title, author's name, place of publication, publisher name, publication date and the number of pages.

Introduction

In the introduction, introduce the book conveying what the book is about.

Summary

In this section of the review, provide an outline of the main themes, principles or concepts presented in the text.

Evaluation

Offer a critical review of the text and the ideas presented in it. What stood out for you?. How will this text informed your practice? Give your initial appraisal of the work, include your key observation on the text mentioning strength and weaknesses.

Conclusion

Would you recommend this book? Indicate whether you feel the book is worthwhile. Is the book outstanding? Will it make a lasting contribution to its field, or is it less satisfactory? Give a star rating out of 5 – 5 being excellent.
